Access Health is please to announce a partnership with **ProCPR**. (see attached flyer)

This is a blended internet based program for those members who need to have current CPR and/or First Aid certification for their employees.

Access Health members receive a discount on the regular fee. The usual fee is \$29.95. The fee for **Access Health members is \$20**. \$25 for non-members.

Access Health has a **ProCPR** facilitator on staff.

The instructional and written test is completed on line. The skills test is completed with the **ProCPR** facilitator here at Access Health or at your place of business with four or more employees..

First Aid is also available for a discount price of \$20 for members.

ProCPR is recognized for Nurses, pre-school education staff, day care staff, MAs CNAs, first responders and others for licensure in Michigan.

Why accept ProCPR?

- Experience state-of-the-art technology and video training that provides extremely effective education.
- Receive high quality instruction that adheres to the most up-to-date national guidelines.
- Save time, money, and administrative complexity.
- Appreciate one centralized location for instruction, record-keeping, and customer support.
- Benefit from video training led by experienced health care professionals.
- Weekly review is provided with training videos via email.
- ProCPR is accepted nationally by thousands of licensed healthcare professionals and healthcare organizations.

Call Access Health at 728-5180 for more information.
